## auto service

We specialise in the servicing of all makes of car – both used and NEW. If you have a new car under warranty, you are not legally tied to the main dealer, we can deal with all warranty claims on your vehicle within the manufacturers schedule and the vehicle's condition is monitored throughout the warranty period.

Each vehicle is serviced to the highest level of specification, this is backed by our computerised technical data information. We also incorporate an electronic parts catalogue system with a national supplier which gives us access to over 95,000 quality component parts. This ensures a rapid parts delivery service to help keep your car on the road.

## mot testing

Incorporating the very latest in test equipment to ensure correct test procedures and offering a full range of services to the customer.

- Computer generated reminder system.
- While you wait testing – no pass no fee.
- Diesels and catalysis tested.
- Comfortable reception – free refreshments.
- Free collection and delivery.

## break safety centre
